HISTORY OF THE CLUB

Pillsbury Ranch Riding Club (also known as The Lakeside Saddle & Driving Club), was established in 1981 by Duane and Joan Embery Pillsbury because of the need for a community equine facility in the Lakeside area. The facility was planned and developed to accommodate all types of equine activities including roping, dressage, cutting, driving, eventing and reining.

Currently, the facility has a dressage arena, three general use arenas, a large round pen and two lunging round pens. The perimeter track is approximately one mile and has excellent footing, as do all of the arenas. A driving and reining area is set aside which has the harder surface needed for these activities. In addition to the arenas, the facility has two wash racks, a restroom facility and picnic areas complete with tables and benches for use by club Members.

Pillsbury Ranch Riding Club plans to continue to improve the facility to meet the needs and enjoyment of its members and the equine community. The desire to make Pillsbury Ranch Riding Club one of the finest equine facilities in Southern California continues to be our goal.

Individual and family memberships are available in the Pillsbury Ranch Riding Club. Annual membership dues help defray the costs of maintaining the facilities and equipment and have been kept as low as possible.

For membership information, please contact Pillsbury Ranch Riding Club, 13036 Willow Rd., Lakeside, CA 92040, Telephone 619.443.2503 or email pillsburyranch@Yahoo.com
